

Damage Waiver

Standard practice across the whole marquee industry is that the client is held fully responsible for all accidental loss and damage to the hired equipment.

If something happened during the hire period, you would be liable to pay for any damage caused. Our Tipis are highly valued, so it is essential that the equipment is fully insured during the Rental Period.

In some circumstances the client chooses to insure the tents and equipment themselves, through a standard wedding/event insurance, although it is unlikely that the insurance taken covers for the costs of replacing the tipis like-for-like. If you chose this option then Cheshire Tipi Company Ltd would need to see proof of the insurance and will need to satisfy themselves that the cover is adequate for the purpose.

However, if your wedding/event insurance doesn't cover you for the cost of replacing the tipis and the equipment like for like, our clients can choose to pay a non-refundable Damage Waiver Fee, amounting to 3% of the equipment hire charge. In electing to take this option, Cheshire Tipi Company take full responsibility for the risk of accidental loss or damage to the tipi equipment during the Rental Period. This will cover the cost of insurance taken out by ourselves.

The following conditions apply to the above Damage Waiver:

*The client is responsible for the first £500 of accidental loss or damage to the equipment during the period of hire.

*The Damage Waiver covers repair costs of up to £50,000. If repair costs exceed this amount, the client will be responsible for paying.

*The client is responsible for all loss or damage resulting from wilful neglect or malicious acts or legal liability.

*The client is responsible for any loss or damage due to the client's failure to adhere to any special security arrangements that have been agreed.

*The client is responsible for any loss or damage due to the client's failure to adhere to any wind management advice to ensure the safety of the tipis.

*The Damage Waiver does not include items provided by Cheshire Tipi Company 3rd Party suppliers including, but not limited to, toilets, generators, heaters, chairs, round tables, trestle tables, benches, dancefloors, stages.

Please contact us to ask for a breakdown of items that are not covered in the Damage Waiver. Cheshire Tipi Company recommends you take out wedding/event insurance to cover you for these aspects.
